THERE'S SO MUCH MORE BEHIND A B&D DOOR

Servicing Geelong for over 20 years.

Geelong's Garage Door Specialists!

At Geelong Garage Doors, our philosophy is simple. We aim to supply you with quality products and outstanding service quickly.

As a family business, we recognise the value of personalised service and that is why we ensure that our attention to detail is second to none. Geelong Garage Doors has steadily grown to become one of the market leaders in the Geelong region for our fast reliable service, quality products, and high quality workmanship. Our friendly team of experts have over 50 years of combined experience which enables us to solve any garage door problem that you may have.

Simply put, we can do the jobs the others can't. Our diverse scope of expertise enables us to carry out domestic, commercial, and industrial installations and repair work on all makes and models of garage doors, automatic gates, and associated automatic products.

Service Centre

For friendly, personalised service, we welcome you to visit our office and showroom for any new or existing garage door inquiries you may have. We take pride in our interactive display centre which is considered one of the best in Victoria.

The interactive display centre showcases the latest range of garage doors and openers that are available on the market. This allows you to not only view the type and style of garage door you are interested in, but actually see your choice of garage door in full operation.

If you are after parts or accessories for your garage door or opener, we are sure to have exactly what you need. Our spare parts division stocks a range of spare parts, hand controllers, and accessories for all makes and models of garage doors and openers.

Special Application Doors

These days, security and piece of mind is essential no matter what the application may be. Whether you're looking to protect your shop's front window or you want to turn your carport into a secure garage, Geelong Garage Doors are sure to have a solution to suit your needs.

Carport conversions, free standing fence line garage doors and reverse roll doors are our specialitys.

Our skilled fitters can construct basic timber and steel work framing, ensuring that the job is done right, from start to finish. Our weather proof outdoor automatic systems are resilient to all weather conditions; rain, hail, or storm, which will make access a breeze without having to leave the comfort of your vehicle.
